### MEMBERSHIP CATEGORIES AND DESCRIPTIONS

#### RADIANT EQUIPMENT SUPPLIER

Any company that supplies through distribution their own brand name radiant panels, piping systems or elements, for the radiant heating, cooling or snow melting industry.

#### ASSOCIATED EQUIPMENT SUPPLIER

Any company that supplies through distribution their own brand name equipment, controls or accessories, related to the radiant panel industry. This includes panels, elements, or piping systems.

#### DISTRIBUTOR (per branch)

Any company that wholesales panels, piping, elements or accessories related to the radiant panel industry.

#### DEALER OR CONTRACTOR

Any company involved in retail selling, installing, servicing or constructing.

#### TRADE ASSOCIATE

Any company or organization with an interest in the radiant panel heating and cooling industry. This includes but is not limited to independent sales representatives, architects, engineers, and utility companies.

#### STUDENT/RETIRED (Limited)

An individual who is either retired or a student may qualify for this membership. Proof such as a student ID card or a retirement card must be submitted. Student/Retired members do not have voting rights, may not serve on the board of directors and are not listed in the Online Membership Directory.

#### EDUCATIONAL AND INDUSTRIAL INSTITUTIONS

Any educational or non-profit organization with an interest in the radiant panel heating and cooling industry, this includes but is not limited to schools, trade association and non-profit community service organizations (contact the RPA for approval in this category).
